**Fiscal/Budgetary Impact:** The cost for these positions will come from the School Nutrition Department.

**History/Background:** The Floyd County School District has continued to participate in the Community Eligibility Program and we continually look to improve our program. In order to improve our program we would like to create one itinerate position that will be assigned to help prepare, deliver, and monitor food service to our students in the Floyd County Early College Academy. The second itinerate position will be utilized to assist in the catering portion of our program as well as fill-in as a cook when needed at any of the schools in the district.
