I am requesting for the Board to approve Change Order Number 02 for BG 19-128 - Gym Floor Replacement Project for North Middle School, South Middle School, and Henderson County High School. The Change Order includes a \$1,000.00 credit for the existing epoxy painted concrete that was damaged during demolition at the High School; and an addition of \$11,700.00 for labor and material to install new epoxy over existing concrete at both end courts at the High School. The total Change Order is \$10,700.00.
