Action/Discussion Item: Proposal to approve the relocation of the Floyd County Schools Central Office from the current North Front Avenue, Prestonsburg location to the facility previously known as Allen Central High School.

Applicable Statutes or Regulations: BOE Policy 0.11 Powers and Duties of the Local Board of Education.

Background and major Policy Implications: The current facility housing the central office is in need of renovations. The cost of renovating outweighs the associated cost of moving to a property that is not utilized by students and owned by the district. The Allen Central High School Building is centrally located in the county and has a floor plan that provides increased opportunities to serve our schools and families.

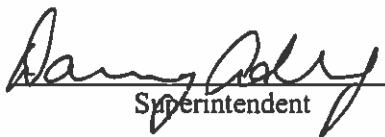

Fiscal Budgetary Impact: The general fund will pay associated cost with the move; approximately \$30,000.00

Alternatives: None proposed.

Recommended Action: To relocate the Floyd County Schools Central Office to the facility previously known as Allen Central High School.
