Let us know if you would like to get a website going, it would take about 2-3 weeks to generate designs and have the website open, we are swamped with back to school/fall sports!

Thank you,

Hello Audrey -

Courtney said you would like a quote on apparel for the a Danville website. Below I have detailed that pricing. We do charge a little more for items on a website because we handle all the o for the website. We do require a \$500 order minimum each time the site is opened, and we typically recommend having it open 2-3 weeks for ordering.

Let me know if you have any questions.
