Activities with students since Day 1:

- Day 1 – Grade level assemblies welcoming students. Introducing new initiatives at NIS for 19-20. Teaching expectations and procedures.
- Every day since day 1 and ongoing – all teachers practice procedures and expectations daily.
- Principal explains common area procedures daily during morning announcements.
- Every Wednesday Encore focuses on character traits and school-wide expectations.
- Implemented the new and improved CATS Cash process and started the CATS Cash store daily during every lunch for students to shop with their earned cash.
- Redesigned the lunch schedule to better set all, students and staff, up for success.

Future activities to support all and new staff:

- All staff utilize the PLC process for sharing, learning, growing, and collegiality.
- Wednesday workshops will be established for all teachers to learn about various topics of need. Workshops will be led by administrators or teachers that have mastered the appropriate skill.
- School-wide procedures have been established, communicated, and reinforced daily to support all students and staff.
