**Kristen Neidhardt, Teacher

for her positive impact on students, particularly in the promotion of academic excellence and goodness

We would like to recognize and present Team Kenton Awards to the following community members for going above and beyond to create a place of learning, growing and family time for our Caywood, Turkeyfoot and Dixie Heights families in coming together to bring the Heartland Pointe Community Garden project to fruition.

From the initial meeting with Tammy Kerr, the Chief Problem Solver of the Association of Builders & Contractors, to various planning and wishing meetings with Heartland Pointe's Community Manager, Shelley McCracken, to the actual preparing, building, and planting with the Valcom Team headed by Jonah Holbrook and Shannon Carney of Aetna, this project came together with kindness, cooperation and hope.
