Kentucky Department of Education

Purpose

KRS 157.3175 requires local school districts to collaborate with Head Start and other existing preschool programs “to avoid duplication of services and supplanting of federal funds to maximize the use of Head Start funds to serve as many four year old children as possible.” The statute also requires that School District proposals contain certification by the Head Start director that the Head Start program is “fully utilized.”

In general, the Head Start program is considered “fully utilized” if the 1989-90 number of four-year-olds, or a mutually agreed upon target number from the local agreement, is met or exceeded (*i.e., the number of at-risk four-year-olds identified in Section V(c)(i)(3) of the new local agreement*). If the target number is not met, an explanation shall be provided, such as a description of population or economic changes that effect the number of four year olds in the District or a change in Head Start capacity.

Submission Instructions

The District and Head Start must complete a Local Memorandum of Agreement annually. In addition, a certificate of Full Utilization form (attached), verifying the number of at-risk four-year-olds enrolled with Head Start and confirming that Head Start is fully utilized on September 1, 2019, must be signed by both the District and the appropriate Head Start director. This form MUST be submitted to the Kentucky Department of Education no later than September 15, 2019.

This certification applies to all school districts, including school district grantees or delegate agencies, districts where Head Start serves the county but not the districts’ catchment area in the county, and districts where Head Start serves all children eligible for at-risk preschool services.

It is recommended that both the District and Head Start maintain a copy of the form in their files. The District should contact the Head Start program to assure that the certification is completed on September 1, 2019 and submitted to the Kentucky Department of Education by September 15, 2019.
