SUBJECT: District Professional Learning Plan

Attached please find the 2019-2020 CCPS District Professional Learning Plan, a detailed listing of district professional learning opportunities, for approval. Statute requires that the Board shall provide a high quality, personalized, and evidence based professional learning (PD) program that meets the goals established in [KRS 158.6451](#), the Every Student Succeeds Act (ESSA), and in the local needs assessment.

A Board-approved professional learning plan for the District, must be designed

1. to help achieve student capacities established by [KRS 158.645](#) and goals established by [KRS 158.6451](#);
2. to support the District's mission, goals and assessed needs; and
3. to increase teachers' understanding of curriculum content and methods of instruction appropriate for each content area based on individual school plans.

Thank you for your consideration.
