

3:00-4:30 PM

30 minutes

- Julia Bauscher shared that the local wellness policy assessment of wellness program should be evaluated next school year. We will look at how our district policy aligns with other policies.
- She also shared that Smart snack requirements will be communicated with schools in a variety of ways to help ensure compliance
- Eva Stone shared that the district WSCC committee is working on developing a tool to help Health Promotion staff provide support to schools by increasing awareness and support for implementation of the district wellness policy; and support regarding elementary school wellness policies.
- Eva Stone updated the group regarding a 1 hour seizure self study required for all teachers, principals and counselors by July 1, 2019. This is a one time requirement for all current staff and required for all new employees in those positions.
- Eva Stone updated the committee on the plan for training unlicensed staff to administer medications; to provide care for children with diabetes, seizures and other health conditions for 2019-20.

3 Pillars Racial Equity <ul style="list-style-type: none"> • REAP protocol 	Stone	5 minutes
<ul style="list-style-type: none"> • Eva shared that the district continues to use the REAP protocol when evaluating policies and initiatives in JCPS
