Applicable State or Regulations: Capital Construction Process (702 KAR 4:160).

Budget/Financial Issues: Low bid for loading, hauling and stockpiling 16,000 cubic yards of soil from the community of Ivel to the Betsy Layne High School is \$60,000.00 that was bid by H & C Construction.

Background and Rationale: The board found out that we could get free soil from the community of Ivel and all we needed to do was load and haul it away. Advertisement was put in the Floyd County Chronicle on Friday, August 30th and Wednesday, September 4th. Sealed bids were opened on Monday, September 9th @ 2PM in the conference room of the Maintenance Department and read aloud to the public.

Recommended Action: To approve low bid of H & C Construction for \$60,000. Five (5) bids were received with them being the lowest.
