Kids Are Born Learning

Learning starts long before school. From birth, kids are building skills they need for life. But that doesn't mean they need lots of expensive learning toys!

Loving relationships matter most. Parents, grandparents and family members can use everyday moments as learning moments.

Families of children birth through age 3 are invited to join us for fun activities to help your child learn anywhere, anytime!

October 14, November 19th, December 17th,
January 21st, February 18th, March 17th
