Student Disciplinary Processes

STUDENT DISCIPLINE AND BEHAVIOR IMPROVEMENT

Procedures used by schools for student discipline and behavior improvement shall conform with the provisions of the Student Support and Behavior Intervention Handbook under Board Policy 09.438.

SCHOOL-RELATED ACTIVITIES

The authority of the District in matters of student behavior is not limited to school buildings and grounds or to times when the pupil is on his/her way to or from school, but extends to any activity which is school-related or school-sponsored.

TREATMENT OF PUPILS

Student disciplinary measures should not be administered in a manner that is humiliating, degrading, or unduly severe or in a manner ~~that would cause the pupil to lose status before his/her peer group~~. Teachers should guard against making remarks to other pupils concerning a student's shortcomings.

Unless an administrator or the Board acts under authority of KRS 158.150, no school, school administrator, teacher, or other school employee shall expel or punish a student based on juvenile court information received by the employee from any source. Administrators may act to protect staff and students when the student's conduct, as reflected by the information, indicates a substantial likelihood of an immediate and continuing threat of harm to students or staff. In cases where such actions are necessary, the following provisions shall apply:

1. Restrictions imposed on the student shall represent the least restrictive alternative available and appropriate to remedy the threat.
2. Supporting material shall be documented in and kept with the student's juvenile court record.
3. The student and/or parent/guardian may appeal actions taken to the Superintendent or to the Circuit Court with appropriate jurisdiction.¹

SERIOUS PROBLEMS

Serious disciplinary problems shall be promptly reported to the Principal and to the parent(s) of the student.

COUNCIL RESPONSIBILITY

Each school council shall select and implement discipline and classroom management techniques for the school, ~~consistent with District Board policy~~. The council's discipline policies shall provide for involvement of parents in disciplinary situations involving their children.

In non-SBDM schools, the Principal shall make these decisions ~~consistent in compliance~~ with Board policy.

Student Disciplinary Processes**REPORTING**

Each school shall annually provide to the Department of Education, using the student information system, an assessment of school incidents relating to disruptive behaviors resulting in a criminal or juvenile status offense or public complaint, including whether:

1. The incident involved a public offense or noncriminal misconduct;
2. The incident was reported to law enforcement or the court-designated worker and the charge or type of noncriminal misconduct that was the basis of the referral or report; and
