

LES Board Report

October 2019

- Parent/Teacher Conferences will be held on Thursday, October 24th from 3 – 7 pm. During the conferences, teachers will share and discuss report cards, MAP scores, K-Prep scores, etc. Our students in grades 4 – 6 will participate in Student Led Conferences.
- Any LES student in grades 4 through 6 who obtains one or more failing grades at the end of the first quarter will be recommended to participate in extended school services (ESS). During this time, students work with their grade level teachers to address learning gaps that have resulted in their failing grades. The same students work with school administration to complete a “*Contract to Pass*” in which they discuss barriers to success and create an action plan. These contracts will be shared with parents during our upcoming Parent/Teacher Conferences.
- Lincoln Elementary School will be recognizing Kentucky Safe Schools week during the week of October 21st with a multitude of activities recommended by The KY Center for School Safety. Activities include: an online bullying pledge, various intentional bullying lessons/programs, daily announcements, etc.
- Red Ribbon Week will be held the week of October 28th at Lincoln with the LES Student Council leading various activities for the student body during this week.
- LES Administrators continue to meet with teachers on a regular basis for Instructional Meetings during planning periods. The focus continues to be: enhancement of our instructional practices, academic and behavior data analysis, Common Core standards discussion, etc.
- Upon the return from Fall Break, students in grades 2nd – 6th will work to determine their 2nd quarter AR goal. An informative letter will also go home to each parent explaining more about the Accelerated Reader Program and how they can help at home to reinforce this important program with reading at home, checking their child’s progress, knowing their child’s goal, etc.
- Our Advisory Team Meetings (ATMs) will be taking place within the next couple of weeks. During these meetings, teachers and administrators will analyze individual students’ scores on various assessments and determine individualized academic and social/emotional plans for each student who is currently placed in tier 2 and tier 3 interventions.
- The PTC (Parent Teacher Committee) is busy planning events for our students. The LES Fall Festival will be held on Friday, November 8th. The PTC officers are working diligently to recruit additional members, including teachers, in order to make the committee an integral part of our school community.
- Samaritan’s Feet will be here tomorrow, October 24th to gift EACH LES student grades preschool through 6th grade with a new pair of gym shoes. We are grateful for the work of Ms. Gina Byrd, the donor(s), the DHS student volunteers and everyone who has made this possible for our students.
