(hereinafter "Contractor"), with its principal place of business at 303 Twin Dolphin Drive, Suite 600, Redwood City, CA 94065.

WITNESSETH:

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

Vendor will help the District increase student instructional time by developing and sending absence reports ("Absence Reports") that use behavioral science to provide parents and guardians with actionable information about their child's attendance. Vendor will use data from the District to deliver the Absence Reports Program, analyzing the data using algorithms that maximize program efficacy to determine which students' families receive Absence Reports, determining appropriate content for each student based on their grade, attendance record, language, and other factors, and generating, printing and mailing the Absence Reports. Specific students may be excluded by the District, and Vendor will

exclude students whose parents or guardians have elected to opt-out of receiving Absence Reports, as well as those with undeliverable addresses or who don't meet other eligibility criteria.

Vendor will generate and send up to 150,000 Absence Reports over 6 mailing dates (dates to be mutually agreed upon by the District and Vendor) to students who have missed 5% or more days of school.

The Absence Reports Program leverages best practices from research conducted by InClassToday and others in the field, and InClassToday's goal is to provide services that improve over time. As a result, InClassToday may from time to time suggest new approaches and make changes to the Absence Reports Program likely to further program objectives. Additionally, InClassToday will provide the following Professional Services: Parent Support Team to handle questions from report recipients and direct callers to relevant district resources; Program Manager to provide periodic updates, answer questions, lead information webinar trainings for school and district staff, and provide detailed program results reporting annually; Periodic program monitoring reports after each mailing round, including information about students receiving Absence Reports and parent/guardian calls to the Parent Support Team, and students who may have out of date addresses; mid-year and end-of-year program impact analysis projecting the days of absences reduced, as well as detailing the number of students receiving reports by local district, school, grade level, and student subgroup (if necessary data is provided); membership in the InClassToday learning community which provides periodic professional development opportunities to district and school site staff.

In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.
