Gallatin County Solid waste has received a grant for litter pick up on all county roads and state roads inside Gallatin County. If you have a sports team, boosters club or any other club wanting to earn cash for your team/club and clean up the county please contact me or the Gallatin County Judges Offices for more details. Also if you just need to earn some extra cash we also have rates of pay for individuals for a few extra hours of work per week. Again contact myself or the Gallatin County Judges Office for more detail.

Thanks
