3.1 Management Reports

The Contractor agrees to provide all applicable management information system reports and all fiscal reports within the time periods specified by the Board, so as to document the Contractor's performance of its contractually stipulated functions.

3.3.1 The Contractor agrees to maintain all documents, records of accounts, records of personnel, and financial records pertinent to this Agreement, and to submit such reports as are required by FHI360, the Board, the Department of Labor, and/or the Office of Employment & Training to ensure a proper accounting for all funds.

3.3.2 The Board, pursuant to applicable law, including KRS 61.870 *et seq.*, specifically reserves the right to have access to any books, documents, papers and records (including computer records) of the Contractor which are pertinent to this Agreement.

3.3.3 The Contractor agrees to make all records (including computer records) pertinent to this Agreement available for monitoring and/or audit purposes to the Board or its designees, the Louisville/Jefferson County Metro Government, FHI 360, the United States Department of Labor, or the Comptroller General of the United States, at any time during normal business hours and as often as any of these monitoring and/or audit agents may deem necessary. The right of access by these agents will include the right to make excerpts, transcripts, and photocopies, as well as the right of timely and reasonable access to the Contractor's personnel for interviews and discussions related to pertinent records.

3.3.4 The Contractor will retain all records pertinent to this Agreement, including financial and statistical records, participant records, and supporting documents, for a period of five (5) years. The retention period will begin on the date the final expenditure report by the Contractor for this Agreement is received by the Board. If, prior to the expiration of the 5-year retention period, any litigation or audit is begun or a claim is instituted involving this Agreement, the Contractor will retain the records until after the litigation, audit finding, or claim has been finally resolved. The Contractor may substitute microfilm/microfiche copies in lieu of original records only after audit.

3.3.5 The records to be maintained and retained by the Contractor shall include but not be limited to: (A) payroll records accounting for total time distribution of Contractor's employees working full or part time on the work (to permit tracing to payrolls and related tax returns), as well as cancelled payroll checks, or signed receipts for payroll payments in cash; (B) invoices for purchases receiving and issuing documents, and all the other unit inventory records for Contractor's stores stock or capital items; and (C) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

3.4 Accountability

3.4.1 The Contractor agrees to determine and assign costs and/or payments in conformity with the accounting methods used by the Board.

3.4.2 The Contractor agrees that no invoices for costs and/or payments under this Agreement will exceed the cost categories and/or maximum payable amounts delineated in the Budget incorporated herein. The Board will not reimburse for costs that exceed cost categories, nor issue any payments in excess of the maximum payable amounts delineated in said Budget. Also, the Board will not reimburse for costs that exceed individual line-items within cost categories unless expressly authorized and/or approved by Board staff.

3.4.3 The Contractor agrees to be accountable to the Board and does further agree to make suitable reimbursement of any costs and/or payments that are disallowed. Specifically, the Contractor agrees that any funds reimbursable or otherwise payable under the Budget of this Agreement will cover training and/or services exclusively for participants enrolled in or served by this Agreement, and that any such funds used for training of individuals not enrolled in or served by this Agreement will be disallowed by the Board. To the extent permitted by Kentucky law, the Contractor agrees to indemnify, hold harmless and defend the Board from all claims, damages, losses and expenses, including attorney's fees, arising from any costs and/or payments that are disallowed under this Agreement.

3.5 Close Out Report

The Contractor agrees to provide the Board with a financial close out report of this Agreement no later than thirty (30) consecutive calendar days after the end of this Agreement, which will release the Board from any further liabilities or payments.

If the Contractor is a public or private non-profit entity, the financial close-out report for this Agreement must normally include a statement of program income, which is defined as any revenues allowably earned by a public or private non-profit Contractor in excess of program costs. Program costs in turn are defined as those necessary, reasonable, allowable and allocable expenditures which are related to the activities or services specified in the Program Narrative of this Agreement, and which are incurred during the Agreement period, or which are required for orderly start-up or close out of the Agreement.

If program income is earned under this Agreement it may be retained and used by the contractor for approved activities within a time frame approved by the Board in writing. If the Contractor is not approved to use these funds accordingly, income must be returned to the Board.

The public or private non-profit Contractor must maintain records that document all earnings and expenditures under this Agreement, and must maintain an accounting system capable of tracking and determining program income. All such records are subject

to review, monitoring and audit by the Board and must be retained in accordance with Metro Government funding record retention requirements. Any failure on the Contractor's part to fully comply with Federal, Commonwealth of Kentucky or Board program income requirements shall result in cost disallowance and repayment by the Contractor of any amounts directly related to the violation.

Since, however, tuition and fees that represent the catalog price for training or services sold in substantial quantities to the general public by a public entity are deemed to cover only necessary and reasonable program costs of that entity, a public Contractor whose earnings under this Agreement consist solely of such tuition and/or fees is not required to track expenditures under this Agreement with a view to determining program income.

3.6 Audits

The Contractor will respond in writing to any pertinent Findings, Conclusions, and Recommendations in the Reports of the Audit when requested to do so by the Board. Unless an extension of time is expressly granted, the Response will be submitted to the Board within thirty (30) consecutive calendar days from the date of the Contractor's notification of the Findings and Recommendations of the Audit. The Contractor may take exception to the particular Findings and Recommendations of the Audit. The reasons for such exceptions must be included in the Response. The Response must also point out corrections already made and state what action is proposed and the estimated completion date of such action demanded in the Audit's Findings and Recommendations. The Board will consider the Contractor's response and any additional information provided by the Contractor when determining whether or not specific expenditures should be allowed.

4. Non-expendable property

The Contractor agrees to follow norms set by the DOLETA and the Board for purchase of any non-expendable property with Federal Government funds and for management and inventory control of such property, and, unless otherwise provided in the Program Narrative or Budget of this Agreement, to return to the Board, at the Contractor's own cost, any non-expendable property, whenever said property is no longer being utilized for purposes under this Agreement, or whenever a contract or relationship between the Board and the Contractor ceases to exist. The Contractor will return said property, if any, to the location specified by the Board.

5. Liability of Board

In no event will the Board, DOLETA or FHI360 be responsible for, or liable to, any third party, including the Contractor, unless otherwise stipulated in this Agreement, for any damages of any type including but not limited to liquidated, proven, compensatory, or real, arising from or in any way associated with or attendant to, acts or omissions of the Contractor relating to this contract including but not limited to the Contractor's infringement of any United States patents, copyrights, or rights in data. To the extent allowed by Kentucky Law, the Contractor agrees to indemnify and hold harmless the Board, DOLETA and FHI360 from any such claims or causes of action. If, however, the Contractor's liability is governed by KRS 44.070-44.160 and 45A.245-45A.275, those statutes will prevail.

6. Ownership of property

Contractor hereby acknowledges that the Board provides equipment and/or assets for the Contractor to use in its execution of the terms of this Agreement. That equipment shall remain the property of the Board. Contractor further agrees to procure insurance on said equipment as set forth in Section I: C11 of this Contract. Should this insurance fail to cover loss or damage to

the items provided for any reason, Contractor agrees to reimburse the Board or WDB the replacement cost of said item within 30 days of the loss.

7. Hold Harmless and Indemnification

To the extent allowed by Kentucky Law, the Contractor shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government and the Board, their elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees and court costs, arising out of or resulting, directly or indirectly, from the Contractor's (or Contractor's Subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting there from, or breach of contract, and (2) not caused by the negligent act or omission of the Louisville/Jefferson County Metro Government, the Board, or their elected and appointed officials and employees acting within the scope of their employment. Modification to Previous Agreement :

Pursuant to Part 11, "Modifications to Agreement," the parties to this Modification Agreement No. 1 mutually agree to make the following modification to the Original Agreement previously entered into by and between the Board and the Contractor in Contract No. 211-400-19.

The purpose of this modification is to make the following budget adjustments:

- To Program Salaries and Fringe:
 - Decrease salary and fringe for Coordinator position to accommodate 10% of FTE being allocated to a new grant (Compass Rose);
 - Remove two Career Development Assistant positions for remainder of year
 - Adjust salary and fringe for several staff positions to ensure they are in line with updated JCPS projections;

- Adjust indirect cost rate, from 2.96% to 3.25%, to account for minor yearly increases; and
- Increase several Operational Cost line items—Staff Development, Office Supplies, Transportation, Educational Materials, and Youth Development Activities—with savings from salary and fringe adjustments noted above.

These changes are outlined in the attached budget. Note that these changes result in a reduction of \$59,405.91 to the original, approved budget. The difference will be returned to KentuckianaWorks. The new budget for this contract will be \$395,980.09.
