RE: Use of Common Carrier

The FSHS Cheerleaders are requesting to use a common carrier for plane travel to Orlando, Florida on February 5, 2020 and returning on February 11, 2020 for the UCA National High School Cheerleading competition.

The cost of the trip is \$234.17. The FS Cheer Boosters will be covering the entire cost of the trip, so there is no cost to Simpson County School District. FS Cheerleaders will be traveling through Southwest Airlines, which is the same airline that was used for the trip last year.

Thank you,
