Our Mission

To help the college readiness positioning for high school students, specifically regarding **ACT®** scores, through a combination of testing, seminars, and the TorchPrep Blitz.

TorchPrep transforms students' lives by empowering them to improve their **ACT®** scores through a student-centered approach that motivates and inspires them to learn proven test-taking strategies.

TorchPrep Blitz

TorchPrep's Blitz is a groundbreaking test prep approach that cracks the code on improving **ACT®** scores by motivating and inspiring students to learn proven test-taking strategies. This intensive program specifically equips students with the skills and knowledge to successfully navigate the **ACT®**. Through a two-day seminar setting, batches of students are motivated to "beat the test". Most of our Blitz packages are constructed to serve students trying to achieve College Readiness Benchmarks.
