Re: Transportation Request

I am requesting the Board's retroactive approval of the attached transportation request. Due to the weather causing limited parking for a Healing Reins Therapeutic Riding event, transportation was requested for November 23 and 24, 2019 to transport patrons from the Henderson Community College to Blue Moon Stables. Thank you for your consideration.

Dear Robin,  
Healing Reins Therapeutic Riding Inc. is hosting Christmas on the Farm, November 23 and 24th, 2019. Due to the weather, and flooding in nearby farm fields, parking is going to be limited and or unavailable for the patrons. We have permission for patrons to park at the Preston Fine Arts Center and we hope to bus them to the event at Blue Moon Stables located at 8124 State Route 268 in Corydon.

Christmas on the Farm is a benefit for Healing Reins Therapeutic Riding. The mission of Healing Reins is to help individuals with special needs reach their full potential through the interaction with horses. We serve those with autism, Down syndrome, ADHD, cerebral palsy, anxiety, vision impairments and cognitive processing delay. We also have a veterans program to help those suffering from post dramatic stress disorder

We are writing to request the use of a school bus for the event. The bus would be used to transport patrons from the Henderson Community College to the location site. We would need the bus from approximately 10 am - 5 pm on November 23 and 24th, 2019.

Thank you again, and we look forward to working with you on this event.

Sincerely,

Monica Fella, Executive Director, Healing Reins Therapeutic Riding Inc.
