Good Morning Mr. Pfeiffer,

I am forwarding your request to Diana Thomas as she is in charge of our custodial records, including all open records requests. I have also copied Mr. Thomas, our Director of Operations, so he will have your contact information on file. Mr. Thomas is the individual who prepares and releases bids. I believe our current copier lease expires in the fall of 2020. We always welcome participation in our bid processes, as it is our policy to provide the quality of service/products our staff need for productivity as well as at an economical cost for our taxpayers investment in education.

Best regards,

Hi Vicki,

My name is AJ Pfeiffer with Toshiba. I have tried to get in contact with you on the phone, but have been unsuccessful. I am reaching out to request a copy of your current copier/ printer lease and maintenance contracts. I do so with the aim to efficiently be respectful of engaging school systems such as yours, and so we are aware of your next purchasing cycle, in the hopes that you would be gracious enough to let us throw our hats in the ring in a bid situation.

I have attached an official public information request, but will be happy to follow whatever steps you are most comfortable with to obtain the information.

Thank you,
AJ Pfeiffer
