And, thank you for maintaining strong, effective budgetary oversight; for having high standards for employment and safe, well-managed school facilities.

We look forward to a successful 2020-2021 School Year!

Our board members are among 850 school board members in Kentucky's 173 local school districts being recognized. Our community can be very proud of our elected board members in making decisions to ensure that every child has a chance to be successful both in school and in life.
