## Breckinridge County Schools Expectations Nonresident Pupils

Nonresident pupils are pupils that do not live in Breckinridge County, but attend school in Breckinridge County. The Breckinridge County Board of Education has agreements (on a reciprocating basis) with surrounding school systems for nonresident students to attend school in Breckinridge County in accordance with the following:

1. Nonresident pupils must be in good standing with the previous school district of attendance prior to their enrollment in the District's schools.
2. The student shall comply with the District's Attendance Policy.
3. The student shall show appropriate academic progress as determined by his/her teacher(s) and the Principal.
4. The student shall comply with the District's "Code of Acceptable Behavior and Discipline".
5. The student shall comply with the individual school Policies and Procedures.
6. The student shall participate fully in all state and county mandated testing programs.
7. Nonresident pupils wishing to enroll during the school year will be approved on an individual basis by the Superintendent/Designee.

Violation(s) of this agreement may cause nonresident pupils to be immediately withdrawn from the Breckinridge County School District, and returned to their home district.

### Exception:

In the event a district entering a reciprocating contract with the Breckinridge County School System caps the number of students allowed to participate, the Breckinridge County School System will reciprocate with an equal cap. Conditions of accepting or releasing will be for the entire year.

**Tuition****FEES**

According to a schedule adopted annually by the Board, a nonresident student shall be charged tuition equal to the District's basic SEEK allotment, unless the student's district of residence has signed a reciprocal agreement to exchange ADA funds. Students of any District employee may attend tuition free without regard to residence, contingent on the District receiving ADA as provided by law. In cases where the District does receive the ADA on the nonresident student, a processing fee of \$175.00 shall be charged annually.

Tuition fees shall be paid annually in advance or via a payment plan established by the Superintendent. Employees may elect to pay tuition fees through a payroll deduction plan.

Students who voluntarily withdraw from the District shall receive a prorata tuition refund.

**APPLICATION**

The Superintendent/designee shall develop guidelines to ensure the acceptance of nonresident pupils on a nondiscriminatory basis.

Application for admission of a nonresident tuition student shall be made to the Superintendent who shall review the application and, in conjunction, with the building Principal concerned, determine whether or not the student should be admitted to the District school.

The Superintendent shall make the final decision. The following factors shall be used when reviewing applications:

- Whether or not the entrance of an additional student will have any negative effect on the instructional program.
- Whether or not an additional student will exceed the pupil-teacher ratio specified in state guidelines.
- Whether or not the applicant is under disciplinary measures or has been suspended or expelled from another school district.

If a non-resident student's application is rejected, the student shall attend school in the district of residence.

**CONTINUED ATTENDANCE**

A student who has been accepted on a tuition basis may continue to attend the District schools until graduation provided all fees are paid and the student complies satisfactorily with applicable laws, policies, rules and regulations. A tuition student who, in the opinion of the building Principal, the Director of Pupil Personnel, and the Superintendent becomes a disciplinary or attendance problem, may not be permitted to re-enroll in the District schools at the start of the following semester. The Superintendent shall make the final decision.

A tuition student who has been expelled from the District's schools may not be permitted to re-enter at any future date.
