Re: Test and Balance Bids for Marion County Middle School Addition
CMTA Project: XMCM19
Arch Project: 1928

Dear Randy,

I am writing to inform you of the results of our solicitations for test and balance bids related to the aforementioned project. CMTA wrote a specification for and received bids for the test and balance work to be contracted directly with the owner. We received the following bids and amounts:

Bidder	Total Bid	Notes:
Ebco	\$4,770.00	
Synergy Test and Balance	\$3,900.00	
Thermal Balance Inc.	\$2,540.00	Apparent Low Bidder

*Note that total bid numbers listed herein include all accepted alternates.

After review of the bids, Thermal Balance, Inc. is the successful bidder. Upon review of their bid scope CMTA recommends that the board accept their bid for the specified work. Please advise if there are any questions.

Sincerely,

Matt Wade, P.E.
