FREQUENTLY ASKED QUESTIONS

- **What is the Center for Officials Services?**

The Center for Officials Services is a comprehensive officiating platform that handles registration, assessments, assignments and payments for officials, associations and member schools. It is available on the web and a mobile app for iOS and Android.

- **Is the Center for Officials Services provided by the NFHS or DragonFly?**

The NFHS has funded the Center for Officials Services and is providing the platform as a service to its membership. The Center for Officials Services is developed and maintained by DragonFly and is available through the DragonFly system.

- **Will I need different modules, platforms or systems to use the Center for Officials Services?**

No. The Center for Officials Services is a single, consolidated platform that provides registration, assessments, assignments and payments in one place.

- **What will it cost to use the Center for Officials Services?**

There is no charge to 100% participating member associations and member schools to use the Center for Officials Services. The only cost is a transaction fee per payment of officials and game workers.

- **When can I start using the Center for Officials Services?**

Early adopters will start using the Center for Officials Services in the spring of 2020. The platform will be available to the general public on June 1, 2020.

DRAGONFLY

Simplified Sports Management

WHY CHOOSE DRAGONFLY?

- **COMPREHENSIVE**

From registration to game scheduling, DragonFly handles all of your needs in one place.

- **CUSTOMIZED**

We don't believe that one size fits all. We provide what you need in your language and specifications.

- **COST-EFFECTIVE**

Forget complicated payment structures and being nickle-d-and-dimed with fees. Our straight-forward pricing saves you valuable resources.

- **CUSTOMER-CENTRIC**

We're quick to help and listen to our users. DragonFly is always improving with new features and increased functionality.

SPORTS MANAGEMENT SHOULDN'T BE COMPLICATED.

This simple belief has fueled DragonFly Athletics since our inception. It drove us to revolutionize video distribution in NCAA Division I football and it continues to drive us as we simplify management of high school sports and activities across the country.

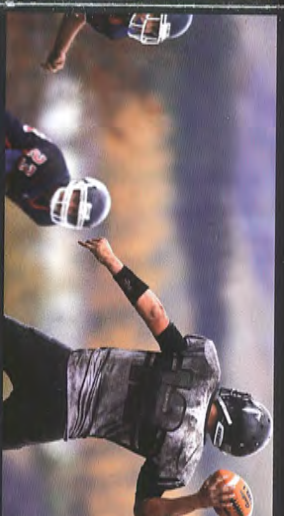

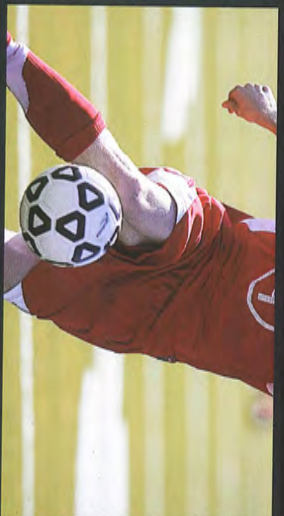

We create technologies that save you time and money so you can invest your energy where it matters — your students. Sports and activities give young people the tools to succeed in life, so the less complicated, the better.

THAT MEANS:

- No more stacks of paperwork.
- No more excessive costs and fees.
- No more juggling five different tools just to get your team on the field.

DragonFly is a single, comprehensive platform that **handles it all.**

EVERY SPORT. EVERY ACTIVITY. ONE PLACE.

DragonFly's content management platform can be customized to your association standards and handles all of your program needs.

· Registration & Eligibility

· Transfers & Sanctioning

· Team Communications

· Game Scheduling

· Academic Integrations

· Fees & Payments

· Sports Medicine

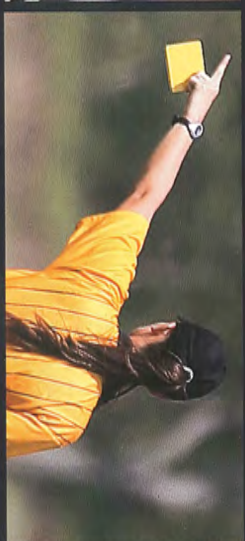

· Classifications & Playoffs

BENEFITS TO YOU:

- Custom digital forms and payments between schools and your state association
- In-depth onboarding for your association and member schools
- Safe and secure, following HIPAA, FERPA and COPPA guidelines.
- Responsive customer support and user-centric software development

CENTER FOR OFFICIALS SERVICES

DRAGONFLY

REGISTRATION

BENEFITS TO YOU:

- Free to state and regional associations, as well as member schools
- Streamlined processes save time for assigners and administrators
- Collect and analyze officiating data for strategic decision-making and recruitment
- Customized notifications and communication tools
- When you couple the Center for Officials Services with DragonFly's content management platform, you provide a comprehensive system for the entire state

THE FUTURE OF CREDENTIALS IS HERE.

DragonFly's credential management platform will digitize and simplify the process, saving you time and money.

Eliminate the annual hassle of creating passes and cards for your officials, coaches and special observers.

• High quality photo for added security

• Highly visible name, roles & organization

• Scannable QR code for attendance tracking

• Highly visible expiration date to eliminate reuse

BENEFITS TO YOU:

- Quick and easy credential registration, customized to your association
- Organized, digital approval process to save time for administrators
- Easily generate a file for your printer or have DragonFly handle the card printing
- Place targeted advertisements on digital credentials based on season or user location
- Capture your association's brand with our customized card design

THE "BUZZ"

Here's what some of our users are saying.

"DragonFly's professionalism and knowledge are only surpassed by the willingness of the full staff to work with our school system's needs. Our coaches and ADs have repeatedly shared with me the spirit of cooperation they have encountered with Dragonfly."

- **Tim Tackett** | Athletic Director | Rutherford County Schools

"DragonFly has been an excellent tool for coaches and parents alike. The convenience of having our student-athlete's information and physical status together through an app is invaluable to the athletics and medical staff."

- **Dennis Goodwin** | Athletic Director | Donelson Christian Academy

"What significantly separates it from the rest is the user-friendly interface and the ease of transition from one aspect of documentation to the next."

- **Danny Barringer** | Director of Sports Medicine | The Physicians Centre Hospital
