# Academic Performance

How are students performing academically?

Assessment and Performance >

Students are assessed in grades 3-8 and 11 in a variety of subjects on tests that were developed by Kentucky teachers. Students in grade 11 also take a college admissions exam. For each subject assessment, students are ranked as either Distinguished, Proficient, Apprentice or Novice. Comparisons may be made between school and district performances based on these performance scores.

Career and Technical Education >

Measures student and school performance in four performance areas under the federal Carl D. Perkins Career and Technical Education (CTE) Act. The measurements include academic and technical skills; earning a high school diploma; placement in, retention in and completion of postsecondary education, military service or employment; and participation in nontraditional CTE programs that lead to nontraditional training and employment.
