

Regional School Programs: Home of the Scorpions

Amy Razor
Executive Director

Stephanie Turner
Principal

Sarah Cornett
Behavior Specialist

The Regional School Programs' Challenge Program has a request to increase enrollment. Administration would like to be supportive and responsive to the staff and students in the program. It is appropriate for Administration to request the addition of a Para-Educator to support the students and staff in the program. There will be no increase in cost to the overall program. The funding for the salary and fringe of this position will be covered by the slot tuition of students enrolled in this unit.

In closing, I ask that the Board of Directors approves my request for additional staffing and appreciate your continued support.

Thank you,

Ms. Stephanie Turner

Principal
