Re: **2020 Demographics and Growth Committee**

I would like to establish the Demographics and Growth Committee for 2020 with the following make-up. This would give us representation from the District Administrative Team, Current Building Level Principals, Planning and Zoning Staff, and Parents of elementary school students who may be affected by the redistricting:

➤ ***Committee***

Randy Poe, Superintendent
Eric McArtor, Deputy Superintendent (Committee Chairperson)
Mike Poiry, Assistant Superintendent
Mike Ford, Director of Pupil Personnel
Mark Raleigh, Assistant Director of Pupil Personnel
Chris Brauch, Assistant Director of Pupil Personnel
Bob Barrix, Director of Transportation
Mary Goble, Principal New Haven Elementary School
TW Loring, Principal, Collins Elementary School
Connie Crigger, Principal, Shirley Mann Elementary School
Parent representative from New Haven Elementary School
Parent representative from Shirley Mann Elementary School
Parent representative from Collins Elementary School
Kevin Costello, Executive Director Boone County Planning and Zoning (non-voting)
Steve Gay, Director of GIS Services for Boone County Planning Commission (non-voting)

➤ ***Redistricting Tentative Timeline***

Please see attached

Note: The timeline reflects a proposed November deadline to submit the committee's recommendation to the Boone County Schools Board of Education for vote at the Board's November regular meeting. This schedule would allow substantial time for the Attendance Services Office to notify redistricted students of the change in their elementary school assignment and the elementary schools of the changes to their student populations. With this information, the elementary schools would have time to prepare and initiate a Student Scheduling Plan for the 2021-2022 school year.

Please notify me if the above committee structure and timeline meet with your approval. Also, if you have any questions regarding the committee make-up or the timeline, do not hesitate to contact me.
