Gallatin County Upper Elementary will need to obtain funding for the Leader in Me program for the 2020-21 school year. We would like to host a Leadership Day, inviting community members to visit our school with the purpose of learning about the Leader in Me program here at the Upper Elementary.

During this afternoon event, guests would be provided refreshments or a light luncheon while a few students, staff, and administrators explain and demonstrate various aspects of the program. Following that, guests would be given a tour by our Student Lighthouse Team, and would step in to visit classrooms engaged in Leader in Me lessons. Then, guests would attend our Leadership Assembly, witnessing the enthusiasm/excitement of celebrating the leaders in our school. Finally, we would reconvene as a group and present our guests with information regarding the cost of the program and sponsorship opportunities.
