Dear Superintendents,

During the Kentucky Board of Education (KBE) meeting yesterday, I recommended to the KBE to prospectively and conditionally approve any future waivers of 701 KAR 8:020, Section 3(4) to remove any undue burden on local school boards associated with required charter authorizer training. This recommendation was approved by the KBE and allows local boards of education to be exempt from charter authorizer training until June 30, 2021 or until the district receives a charter application, as defined in KRS 160.1590(4), whichever occurs first. Any district receiving a charter application, as defined in KRS 160.1590(4), must continue to comply with 701 KAR 8:020, Section 3(4) within 10 calendar days of receiving such application.

At this time, you can submit an email/letter to me on behalf of your local board of education requesting to be exempt from the charter authorizer training. If you have questions, please contact Associate Commissioner Kelly Foster via email at Kelly.Foster@education.ky.gov.

Thank you for your feedback on this requirement. I look forward to your continued input and conversations to ensure success for each and every student.

Sincerely,

Kevin C. Brown
