| Brandon Hayes | Yes |
| Lori Hogg | Yes |
| JoDean Howard | Yes |
| Willie Turner | Absent |

V.A. Consider Approval of the minutes for January 02, 2020

VI. Turnaround Team News

Discussion:

The Turnaround Team consists of meeting certain goals and criteria and to increase proficiency and growth. The team meets with weekly PLC's and revisions are discussed and implemented by the Leadership Team. Learning Walks are conducted by the Leadership Team to provide teachers with an opportunity to observe evidence-based practices. Teachers will complete the "name and claim" process and have engaged in goal setting with the students. Interventionists have been involved to help with tutoring such as 21st Century CCLC, Gear Up and ESS. We have Americorp volunteers and Gear Up tutors to provide support during classroom instruction. Curriculum is being updated and progress monitoring is being conducted. The team will engage in formative assessments and analyze assessment results. Behavior interventions are also in place and the system includes data monitoring, incentives and anchor lessons. A support plan for co-teaching will be implemented. We are cultivating the graduation rate via Persistence to Graduation report, monthly meetings, home visits and implementation of the Positive Behavior Intervention System (PBIS). CTE support is being applied and we are continuing to create opportunities via 18 career pathways projected for the 2020-21 school year. Some of those include Agricultural Education, Criminology, Education, Engineering, Health Science and JROTC. This will prepare students to be college and career ready by providing core academic skills, employability skills and technical job-specific skills.

VII. New Business

Order #3 - Motion Passed: passed with a motion by JoDean Howard and a second by Brandon Hayes.

4 Yeas - 0 Nays.

VIII. Policy Review- Next Generation Policy

Discussion:

1st reading of revisions to the Next Generation Policy was conducted. Discussions included involvement of all Next Generation students to attend the Fall and Spring cohort, increasing the number of students entering the program, revised checklist and the addition of the Vision and Mission Statement on the application. The Leadership Team will assist in the implementation and support needed and will be completing a brochure for students and parents that are considering this pathway.

IX. Behavior Data

Discussion:

Our behavior system is producing positive results. In December 2019 compared to December 2018- there was a decrease in the number of students with in-school suspensions and an increase in lunch break detentions. This will better assist with the student remaining in the classroom daily so that their instructional needs are being met. Parent calls are being conducted daily to keep them informed of their child's behavior and two way communication is enhanced.

X. Finance Report

Discussion:

The remainder of the 2019-20 fiscal year funds were looked at and discussed. As the ending of the school year is approaching, the remaining allocated funds need to be disbursed so that all orders are processed and completed by April 2020.

XI. Public Comment

Discussion:

There were no public concerns at this time.

XII. Adjournment

Order #4 - Motion Passed: Adjournment at 4:05pm passed with a motion by JoDean Howard and a second by Brandon Hayes.

4 Yeas - 0 Nays.
