RE: Emergency Day Waiver - Sebree Elementary School, Sebree, KY – Webster Co. Schools

Dear Mr. Brown,

Due to a water main break in Sebree, Kentucky, on February 25, 2020, there was an emergency closing of Sebree Elementary School in our District. We are requesting the approval of an Emergency Day Waiver since the required minimum instructional days is 170 and this closure would cause Sebree Elementary to have 169 instructional days.

Please find enclosed the following:

- Board approval of Emergency Day, February 25, 2020, for Sebree Elementary School, and the Board Order Number,
- Email from Jeremy Moore, Director of Webster County Emergency Management stating the City of Sebree out of water,
- And the message sent out to Sebree families of the cancellation of school.

Should you have any questions or concerns, feel free to contact me at 270-639-5083 or via email at rhonda.callaway@webster.kyschools.us.

Sincerely,

Rhonda L. Callaway
Superintendent
Webster County Schools
