VENDOR REFERENCE NUMBER: 75156-93321 RESPONSE ITEM PAYMENT TERMS: Net 30 days RESPONSE ITEM NOTES: Maid-Rite Specialty Foods only uses CLASS 1 Caramel Color that is Non-GMO verified and GRAS (as defined by 21 CFR 182.1235). We have developed specific product formulations that include CLASS 1 Caramel Color in order to provide an acceptable visual product profile throughout the reheating process. Products that are formulated without the CLASS 1 Caramel Color may during the reheating process see increased variation in color profile including a pink color rather than the expected greyish brown color profile. This phenomenon is primarily associated with many factors including but not limited to the products pH level, concentration of pigmentation and specific fat content. Due to your request for no caramel color, should this occur during the process of reheating the patties Maid-Rite Specialty Foods, LLC will not accept credit/returns.
