

United Way of Southern Kentucky
Funding Applicant
Memorandum of Agreement

Junior Achievement of South Central Kentucky
United Way Funding Applicant

And
Allen County Schools
Name of Collaborating Agency

The agencies listed above have agreed to enter into collaboration, formalized by this Memorandum of Agreement (MOA). If funding is awarded to the United Way Funding Applicant, the applicant will work with the Collaborating Agency to carry out the strategies identified and submitted in the 2020 United Way of Southern Kentucky funding application.

Responsibilities of the Collaborating Agency in carrying out the United Way funded program would include:

1. Use various curricula including but not limited to Career Success and It's My Job, which are in-class curricula taught by trained community volunteers designed to inspire and prepare students for success, to further develop the soft skills and career readiness skills of ACS middle school and high school students.

This Memorandum of Agreement (MOA) is effective on the date that it is signed by the parties. Both parties are represented in this agreement by their Executive Directors, who have the Board of Director's authority to enter into this collaboration.

If the Funding Applicant is granted funding by United Way, the Funding Applicant agrees to notify United Way within 15 days if for any reason this Memorandum of Agreement is terminated by either party during the 2020 grant funding period.
