The confidential data, including student and non-student information to be disclosed, is described in a document attached to this agreement as **Attachment A**. Services Provider shall use personally identifiable information from education records and other records in order to perform the services described in Paragraph B.1 above. Services Provider shall notify JCPS and JCPS shall provide written consent, if approved, of any changes to the list of disclosed data necessary for the services or any changes to the scope, purpose or duration of the services themselves. Any agreed upon changes to the data disclosed shall be reduced to writing and included in an update to Attachment A to this Agreement. Any agreed upon changes to the scope, purpose or duration of the services shall be reduced to writing and included in an amendment to the services contract described in Paragraph B.1 above.

4. Services Provider and JCPS shall work cooperatively to determine the proper medium and method for the transfer of confidential data between each other. If Services Provider becomes legally compelled to disclose any confidential and otherwise personally identifiable data (whether by judicial or administrative order, applicable law, rule or regulation, or otherwise), then Services Provider shall use all reasonable efforts to provide JCPS with prior notice before disclosure so that JCPS may seek a protective order or other appropriate remedy to prevent the disclosure or to ensure JCPS's compliance with the confidentiality requirements of federal or state law; provided, however, that Services Provider will use all reasonable efforts to maintain the confidentiality of confidential and otherwise personally identifiable data. If a protective order or other remedy is not obtained prior to the deadline by which any legally compelled disclosure is required, Services Provider will only disclose that portion of confidential and otherwise personally identifiable data that Services Provider is legally required to disclose.

5. Services Provider shall not use data shared under this Agreement for any purpose other than the services contract described in Paragraph B.1 above. Nothing in this Agreement shall be construed to authorize Services Provider to have access to additional data from JCPS that is not included in the scope of this Agreement (or addenda). Services Provider understands that this Agreement does not convey ownership of the data to Services Provider.
6. Services Provider shall take reasonable security precautions and protections to ensure that persons not authorized to view the data do not gain access to the data. Reasonable security precautions and protections include, but are not limited to:
