Marty,

Your district's "Temporary Emergency Application" to participate in the Non-Traditional Instruction Program has been approved pending Kentucky Board of Education approval of a waiver to the application guidelines on March 18, 2020 and submission of local board approval and superintendent and board chair signatures.

You may, however, utilize NTI days beginning Monday, March 16, 2020.

As of now, you are approved to use up to 10 NTI days. We will notify you if that number increases.

Please let myself ([david.cook@education.ky.gov](mailto:david.cook@education.ky.gov)) or Steven Kissinger ([steven.kissinger@education.ky.gov](mailto:steven.kissinger@education.ky.gov)) know if you have any questions.

Thanks,  
David
