

Breathitt County School District

5 Year Facility Goals

Breathitt County School District will:

1. Construct a new Elementary School to replace an outdated facility.
2. Construct a new Area Technology Center to replace an outdated facility.
3. Increase general fund budget by replacement of older facilities and decreasing maintenance budgets, utility cost, etc.
4. Meet and exceed all requirements for facilities and safety per SB1 and Kentucky Safety Assessment Tool.
5. Provide Breathitt County High School with necessary facility changes to allow for continued support for all 7-12 students.
