## **March 2020 Board Report**

### **Daycare Report**

- Final Balance Report- continue to be in a positive. Daycare is currently closed until closure is lifted from the governor.

### **Early Childhood Learning**

- Preschool teachers and instructional assistants have been working on getting materials together to continue instruction for our preschool students during NTI days. However, this is not a requirement, we are doing best practice and continuing to support and educate out littlest devils.

### **Special Education/504**

- Beginning to meet with teachers to plan and map out needs and strategies for next school year.
- Special education teachers have been working diligently and along side regular education teachers to continue to meet the needs of our special education students during NTI days.
- Speech language pathologist and mental health therapists will utilize avenues like ZOOM for teletherapy options during NTI days.
