COVID 19 UPDATE:

We do not expect the current crisis to impact our revenues significantly this year but it will reduce SEEK next year under the current guidelines. Although the NTI days are approved, the ADA will be less than normal. Most cost, especially food service and transportation will continue and we feel efforts are being made which will allow for reimbursement. Kim K. and I are working closely to make sure employees receive all benefits allowed.

Please call with any questions. Respectfully submitted, Tete Turner
