RE: Jefferson Elementary Special Inspections

Per the notes below from John Hagan Codell, I am recommending the Board approve LR Gregg Associates for the special inspections at the new Jefferson Elementary School.

After consulting with the structural engineer Codell and Hafer recommend award of the special inspections to LE Gregg Associates in the amount of \$79,490 which was the lowest of the four proposals received.

A copy of their proposal is attached in your board packet.

*The mission of Henderson County Schools is to provide extraordinary educational opportunities for every student.*
