Among this month's developments:

The Crayton Jackson Ln is for the annual Shriner's special ABC Auction held at the Carl Perkins Center

The permit at 127 W Second is to construct a 5-plex with small attached storage area on the corner of Second and Bays, by Jackson Builders for Ming Zheng (Judy Yang) construction is well underway.

The project on Hallwood Drive is turning the basement of a house into a second residence.

The two zoning permits are the recently approved public art displays to be placed on Pasquales and the St. Claire outreach building

Of interest also is the electrical permit for 328 Pinecrest is for a new locally sourced grocery store in the plaza. Let's hope that's a huge success.
