Consent Agenda Item (Action Item): Floyd Central High School is requesting the district to pay the \$900 registration fee in order for our Community Problem Solving Team (CmPS) to participate in the Virtual 2020 International Conference June 3, 2020- June 9, 2020.

Applicable State or Regulations: Policy 0.1.11 General Powers and Duties of the Board

Budget/Financial Issues: The registration fee is \$900.

Background and Rationale: Floyd Central's Community Problem Solving Team (CmPS) placed second in the state competition this year, granting the opportunity for this project to advance to International Competition. Due to the COVID-19 Pandemic all of the International Conference competitions for the FPSPI will be held virtually June 3, 2020- June 9, 2020. Events are structured to allow participants to work together throughout competitions and presentations; virtual collaboration will be enabled through video-conferencing. The similarly futuristic International Conference topic, Terraforming, will be the focus for Global Issues, Scenario Performance, and Scenario Writing.

Recommended Action: Approve the request for the district to pay the \$900 registration fee in order for our Community Problem Solving Team to participate in the Virtual 2020 International Conference June 3, 2020- June 9, 2020
