19-20 Emergency Waiver for Class of 2020

All students enrolled in the graduating class of 2020 must meet state minimum graduation requirements, as outlined above. Lines struck through in **red** indicate items that have been waived for this year only by the Kentucky Department of Education. Additional requirements struck through in **black**, including College and Career Readiness, are local board decisions which are also being waived due to the COVID-19 pandemic.

The local school board approves this waiver, as indicated in the minutes of the April 22, 2020 Newport Board of Education meeting.
