RE: School Calendar 2019-2020

On March 11, 2020 the Governor requested all public schools close due to COVID 19 (world pandemic). The Ky Dept of Education granted school districts non-traditional instruction (NTI) days to continue student learning while closed. HCS began NTI on March 16th. Soon after March 16th, the general assembly passed SB177 which was signed by the Governor. This Senate bill has several provisions. One provision addresses the 1062 student instructional hours guideline.

HCS will reach 1,062 student hours on May 4th. At that time we will have completed 30 NTI days. I am requesting that the board change the school calendar for 2019-2020 and establish the last day for students on May 4, 2020.

Attached is an adjusted summary of May 2020
