Ms. Georgiann McCord, Interim Superintendent  
Webster County Schools  
28 State Route 1340  
Dixon, KY 42409

Dear Ms. McCord:

Pursuant to KRS 157.655-157.660 and 750 KAR 2:010, the School Facilities Construction Commission (SFCC) is hereby making an official FY-2020 KETS offer of assistance to your Board of Education. Acceptance of this offer of assistance commits the Board of Education to follow the statutes and regulations of the SFCC and the Kentucky Department of Education governing the Education Technology Funding Program.

Based on final FY-2019 statewide ADA figures, your third offer of assistance in FY-2020 is in the amount of \$9,610. Accepted state technology fund offers of assistance **must be matched equally** by your Board of Education or can be escrowed for up to three (3) years.

Please note that the education technology funds restricted account has a new designation in the MUNIS chart of accounts: **Fund 2, Project 162F EdTech** account. In order for your district to receive funds, local funds should be transferred to that account.

In responding to this offer of assistance, please provide the SFCC with the following information:

1. Fund Utilization Planning Form. This form can be located in the education technology tab as a PDF file on our website SFCC.ky.gov.
2. Copy of a report from the MUNIS accounting system demonstrating evidence of a journal entry certifying local matching funds have been transferred to **Fund 2, Project 162F EdTech** account. The certification shall be the signature of the superintendent on the report

As always, we look forward to working with you in the Education Technology program. We trust you will join us in continuing the success of this program in your district and in the Commonwealth of Kentucky as a whole. Please direct any questions you may have concerning the Education Technology program to Kristi Russell in the SFCC office.

Sincerely,

Chelsey Bizzle  
Executive Director, SFCC
