Invoices

Students should view their ECU account regularly by logging into their EKUDirect account and clicking on **Student Services and Financial Aid/Student Financial Services/Billing Statement**. A monthly billing notification is currently emailed to all individuals with a balance due to the university to that individual's official ECU email account. Failure to receive a bill does not relieve the student of obligation to pay by the due date. Invoice payment instructions can be accessed on the Student Accounting Website (www.studentaccounting.eku.edu). Students should be aware that any financial obligation while on campus (e.g. unpaid parking tickets, unpaid fines, etc.) will result in a hold on any further activity, such as enrollment in classes or receipt of transcripts, until such obligations are met.

EKU Dual Credit Continuing Participation

EKU Dual Credit students rarely make D's and F's in their classes; however, you should know that continued participation in ECU's Dual Credit Program is dependent upon successful completion of courses. Dual credit students are expected to

maintain a 2.0 minimum cumulative ECU GPA. Students who earn a "D" or an "F" in a course(s) will be required to successfully repeat the course(s) and earn a 2.0 term GPA in order to continue in the Dual Credit Program. Students who elect to repeat a course will contact the Office of the Registrar for registration approval and assistance. Courses repeated by ECU Dual Credit students are subject to the full dual credit tuition charge. State scholarships will not apply.

Unsatisfactory Academic Progress

ECU Dual Credit students are ECU students and receive transcribed credit/grades for their courses. Unsatisfactory Academic Progress can have a negative impact on a dual credit student's high school and college GPAs, undergraduate financial aid/scholarships and KEES money. For complete information on Satisfactory Academic Progress see <https://finaid.ecu.edu/satisfactory-academic-progress-sap>.
