TERRORISM INSURANCE PREMIUM NOTICE

This notice contains important information about the Terrorism Risk Insurance Act and its effect on your policy. Please read it carefully.

THE TERRORISM RISK INSURANCE ACT

The Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), establishes a program to spread the risk of catastrophic losses from certain acts of terrorism between insurers and the federal government. If an individual insurer's losses from "certified acts of terrorism" exceed a specified deductible amount, the government will reimburse the insurer for a percentage of losses (the "Federal Share") paid in excess of the deductible, but only if aggregate industry losses from such acts exceed the "Program Trigger". An insurer that has met its insurer deductible is not liable for any portion of losses in excess of \$100 billion per year. Similarly, the federal government is not liable for any losses covered by the Act that exceed this amount. If aggregate insured losses exceed \$100 billion, losses up to that amount may be pro-rated, as determined by the Secretary of the Treasury.

The Federal Share and Program Trigger by calendar year are:

Calendar Year	Federal Share	Program Trigger
2015	85%	\$100,000,000
2016	84%	\$120,000,000
2017	83%	\$140,000,000
2018	82%	\$160,000,000
2019	81%	\$180,000,000
2020	80%	\$200,000,000

MANDATORY AVAILABILITY OF COVERAGE FOR "CERTIFIED ACTS OF TERRORISM"

TRIA requires insurers to make coverage available for any loss that occurs within the United States (or outside of the U.S. in the case of U.S. missions and certain air carriers and vessels), results from a "certified act of terrorism" AND that is otherwise covered under your policy.

A "certified act of terrorism" means:

[A]ny act that is certified by the Secretary [of the Treasury], in consultation with the Secretary of Homeland Security, and the Attorney General of the United States

- (i) to be an act of terrorism;
- (ii) to be a violent act or an act that is dangerous to –

- (I) human life;
- (II) property; or
- (III) infrastructure;

(iii) to have resulted in damage within the United States, or outside of the United States in the case of –

- (I) an air carrier (as defined in section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States); or
- (II) the premises of a United States mission; and

(iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
