To whom it may concern:

I formally request that ACIC be granted the use of section 6 carryover funds for 2019-2020 for the following:

- Increase allocations to teachers for instructional materials in reading, math, science and social studies;
- To increase the allocation made to the library media center for the purchase of additional resources for ACIC students;
- To increase the allocation to the ACIC art department to replenish supplies for the program;
- To increase the funds available for instructional field trips.

Thank you,
Shawn Holland, Principal
Allen County Intermediate Center
