Next Year's Goals

- Build a robust Logistics program featuring a strong connection with CVG
- Expand Dual-Credit partnerships
 - Potential partnership with University of Kentucky
- Strengthen curriculum for Professional Habits that will be documented on scholar report cards
- Create Accountability Standards that truly measure out scholar's growth and achievement

Ignite's Goals and Success

- Goal: Scholars experience a school that makes them feel cared about:
 - 93% of Ignite Scholars want to return next year. (Compared to 85% at the Academies)
 - 0% of scholars report feeling bullied
- Goal: Create workplace experiences for scholars to learn from
 - Internships will increase from 49 to over 130
 - Businesses report that scholars are well prepared for workforce and have skills needed to be successful (43 Kenton County Ignite Seniors received the Essential Skills Certificate)
 - Over 40 new companies are interested in Ignite and our scholars and visited our school
- Goal: Create more dual credit opportunities for scholars
 - Ignite offered 40 different dual credit courses the 19-20 school year and are adding more next year
