As the parent or legal guardian of the student (under 18) signing above, I grant permission for my child to access networked computer services such as electronic mail, and the Internet, Google Apps for Education (GAFF), Microsoft Office 365, and other services as deemed educationally appropriate by the District. I understand that this access is designed for educational purposes; however, I also recognize that some materials on the Internet may be objectionable, and I accept responsibility for guidance of Internet use by setting and conveying standards for my child to follow when selecting, sharing, researching, or exploring electronic information and media.

CONSENT FOR USE OF OFFICE365 AND GOOGLE APPS FOR EDUCATION

Microsoft Office365 and Google Apps for Education accounts are provided to your child by the District. By signing this form, you hereby accept and agree that your child's rights to use these core services, and other additional services as the Kentucky Department of Education may provide over time, are subject to the terms and conditions set forth in District policy/procedure as provided, and that the data stored within is managed by the District pursuant to Policy 08.2323 and accompanying procedures. You also understand that these accounts provided to your child can also be used to access other electronic services that provide features such as online storage and instant messaging. Use of Microsoft services is subject to Microsoft's standard consumer terms of use (Microsoft Services Agreement). Similarly, use of GAFF is subject to the G Suite for Education online agreement.

By signing this form, you hereby accept and agree that your child's rights to use the electronic resources provided by the District and/or the Kentucky Department of Education (KDE) are subject to the terms and conditions set forth in District policy/procedure. Please also be advised that data stored in relation to such services is managed by the District pursuant to policy 08.2323 and accompanying procedures. You also understand that the e-mail address provided to your child can also be used to access other electronic services or technologies that may or may not be sponsored by the District, which provide features such as online storage, online communications and collaborations, and instant messaging.
