### Facilities, Transportation, and Safe Schools

#### Transportation:

- Utilizing one driver to assist with food delivery.
- All buses have been inspected and we have two that are having some minor work done on the box areas.
- We are working on alternate routing with several scenarios depending upon need as we move forward. If we are not following our current schedule of routes, we will have some major issues to overcome.
- End of year paperwork is completed.

#### Facilities:

- The ceiling and lights at the NHS library have been replaced.
- Ceiling and lights are being replaced in what will become the Tech room at NHS.
- Ceiling tile has been ordered for NHS hallways and will begin the first week of June along with the lights.
- Disinfectant machines are now available in each building for them to utilize as needed.
- Newport Fire Dept. Lt. Kohrs, had returned the 3 thermometers they were utilizing.
- Will continue work at NHS on creating new Technology Office and relocating the Curriculum Coach office.
- Have received bids on the painting for metal siding outside Newport Primary and the ceiling under the courtyard.
- Have received bids on painting approx. 20 classrooms at NHS. If school is delayed, I would like to remove all the carpet in these rooms and leave concrete floor until we replace flooring.
- Buzzer system installed at front door of Welcome Center to better control the flow of traffic into the building.
- Extra gloves, facemasks, Clorox 360 product has been ordered for the district.
- Library Projects are nearing potential completion. Have attached quotes for what we have outstanding at this point. Will need to know how you wish to proceed on the projects.
  - Newport High School Library furniture: \$207,298.08 (Obvious need.)
  - NHS School Specialty quote: \$65,594.91 This is mostly design painting, signage, etc...
  - Newport Primary School quote School Specialty: \$60,341.29. This is signage and ceiling designs.
  - NIS School Specialty quote has not been received at this point. It would also be for design and ceiling elements.
  - Waiting on quotes for the carpet and vinyl at Newport High School.
- Maintenance dept will be out at varying times during the month of June for X and vacation days, so limited work will be taking place as far as they are concerned.
- NHS gym locker rooms are also awaiting bids on flooring and lockers for the project.

#### Safe Schools

- We have renewed the contract with Alice Navigate Prepared 360. We added the Newport School of Innovation to the list. Will also need to add some security upgrades to NSOI as we move forward.
- Waiting on Compliance Officer for his state visit. Should be completed shortly.
